

Side

Direct print

Side

The Slab  
(clear coated wood)

\*We do not print right to the edge. The handle color will show 1-2mm on the edges

 Safe area

 Visible area

 Bleed

\*Please export as a vector file if possible - If not, please export as a jpeg in CMYK at 600 dpi at full size

“Decal” means we print on a specialized white decal material and it is laminated to protect the ink  
“Direct print” means we print directly onto the handle. White ink is available.
